**TO: ALL PROSPECTIVE NEW MEMBERS OF THE
LAKE HARDING LEASEHOLDERS ASSOCIATION, INC:**

The Lake Harding Association was organized in 1986 and is made up of residents of Lake Harding on both the Alabama and Georgia sides of the Lake, presently consisting of approximately 450 families. We would like to extend this invitation to you to become a member of the Association.

The Association generally has one business meeting a year (February or March), and an annual barbecue in September. Other events are planned such as a lake cleanup effort and supporting the annual firework's display. We also publish an address and telephone directory of all members approximately every 18 months. The purpose of the Association is to bring together all residents of our lake community as a group to promote a community atmosphere, both socially and as an organized voice in matters that might impact our lives on the lake and for the conservancy of our unique environment. In that regard we work together with the Georgia Power Land Department in disseminating information concerning our lake environment, our counties and other related matters. Check out our website to get current information at

www.lakehardingassociation.com

If you are a leaseholder or property owner on Lake Harding and interested in joining the Association, please fill out the attached form with information you desire to have published in the phone directory, and send it along with a check made payable to

**Lake Harding Association in the amount of \$75.00 for the Initial Membership Fee.
The Annual Renewal Fee is currently \$25.00 and is due April 1 each year.**

If you have any questions or desire further information about the Association, please contact me or any one of the current Board members:
